

Boats dock in Doha

Peters & May USA and the ship Hoegh Bangkok were responsible for transporting the hydroplane fleet to the Middle East. Click on the picture to enlarge. The hydroplane fleet has arrived in Doha, Qatar completing the first step toward the running of the inaugural Oryx Cup UIM World Championship Race scheduled for November 19-21. Announcer Steve Montgomery spoke with David Holley from Peters & May USA, the organization responsible for the fleet's journey to the Middle East.
